7.30 – 8.30 ADULT ENDURANCE

7.30 – 8.30 TECHNICAL RUNNING (regular & experienced runners)

These are the “open to all members” sessions. There may be additional sessions outside of these times for specific coaches’ training groups.

Hurdles: Athletes must not have attended a running session prior to Hurdles (although throws or jumps are OK). This is for the welfare of the athletes as a hard running session before may cause fatigue with the risk of injury from a serious fall.

Please note that these may be subject to change due to unforeseen circumstances.
